1 Introduction

Welcome to the MASAR Cybersecurity Program, an intensive 8-week internship simulation designed to bridge the gap between academic knowledge and real-world cybersecurity practice. Delivered by SKIDZ in collaboration with the National Cyber Security Center (NCSC) – Jordan, this program is tailored to provide you with hands-on experience, technical depth, and professional exposure to prepare you for a career in cybersecurity.

This handbook outlines the Code of Conduct, policies, and expectations for all participating students. By joining MASAR, you agree to uphold these standards throughout the program.

2 Program Overview

- **Duration:** 8 weeks
- **Format:** Online (with the possibility of an on-site session(s))
- **Schedule:** 3 days per week, 8 hours per day
- **Daily Flow:**
  - 09:00 – 10:30 Lecture – Theory & Demonstrations
  - 10:30 – 10:45 Short Break
  - 10:45 – 12:45 Hands-On Labs / Team Tasks
  - 12:45 – 01:30 Lunch Break
  - 01:30 – 03:00 Deep Dive / Case Study Lecture
  - 03:00 – 04:00 Group Work / Simulation / Presentations
- **Focus Areas:**
  - Offensive Security – 4 weeks
  - Defensive Security – 3 weeks
  - Governance, Risk & Compliance (GRC) – 1 week

3 Code of Conduct

Attendance & Punctuality

- Students are expected to attend **all training days and sessions**.
- Attendance will be taken **randomly throughout the day**, and the process will be announced at the beginning of the training.
- Students must join sessions **on time** and remain present throughout the day.

Engagement & Participation

- Students must maintain a **professional workspace** with stable internet connectivity and a proper working environment.
- Questions must be submitted via the **Q&A feature**.
- Attendance will be taken in random intervals throughout the training day through **Chat Poll** feature.
- Students should actively participate in group work, simulations, and presentations.

4 Assignments & Deadlines

- All assignments and tasks must be submitted **within the given deadlines** within the official channels.
- **In-session exercises** must be completed and submitted during the allocated time.
- **Take-home assignments** must be submitted by the deadline; **late submissions will receive zero points**.
- Students must be able to **fully understand and explain** any work they submit.

5 Professionalism & Behavior

- Students must behave **professionally and respectfully** at all times.
- Direct messaging or contacting other participants outside official channels is **strictly prohibited**.
- Communication with teammates is only allowed within **assigned group tasks** and must occur through official channels (e.g., Zoho breakout rooms or LMS discussion boards).
- Harassment, discrimination, inappropriate language, or any form of misconduct is strictly prohibited.

6 Use of Tools & Platforms

- The use of **AI tools or supportive platforms** is permitted **only to assist and accelerate** your work.
- Students must still **fully understand, explain, and present** any work submitted.
- Submitting work completed by someone else or using AI without understanding it is considered **misconduct**.

7 Security, Ethics & Social Media

- Students must sign and comply with the **Ethical Use Agreement** provided by NCSC.
- Any **illegal activity, offensive content, or public criticism** of NCSC, SKIDZ, or the program is prohibited.
- Posting confidential training material, assignments, or internal information on social media is forbidden.

8 Communication Policy

- All communication with instructors and SKIDZ staff must occur through **official channels.**
- Students must respond to official messages and announcements promptly.

9 Recording & Privacy

- **Recording sessions by students is strictly prohibited.**
- Any session recording, if needed, will be conducted and managed **only by SKIDZ**.

10 Consequences of Violations

- Breaching the Code of Conduct may result in **warnings**, **loss of points**, or **immediate removal** from the program depending on severity.
- Actions such as harassment, threats, or attempts to harm others will result in **immediate termination** from the program.

11 Acknowledgment

By joining the MASAR Cybersecurity Program, you acknowledge that you have read, understood, and agree to comply with all policies and guidelines outlined in this handbook.
